## Ditch That Homework Book Study

October 2 - December 8

Facilitated Online with Flipgrid

\$35 (Must Purchase Book Separately)

**“Students hate it. Parents wonder if it's worth the tears, frustration, and nightly arguments. Teachers debate whether it's really helpful or just busywork that consumes their precious time. One thing everyone can agree on is that homework is a contentious topic.” - Amazon**

**Matt Miller, Keynote Speaker at WITcon17, has joined forces with Alice Keeler to write Ditch That Textbook. This book challenges you to rethink your homework practices and provides numerous ways to repurpose homework and transform teaching practices.**

**Participants will record video responses to a variety of topics using Flipgrid, a video discussion board. There may even be occasional “guest responses!”**

**To register, visit: <https://goo.gl/FHyAAAt> (10 PD Hours)**
