## What is the Institute?

The Institute is a one-week program (Sunday - Friday) for parents of children (through age five) who have a significant hearing loss. The Institute is held in June on the campus of the Illinois School for the Deaf in Jacksonville, Illinois. Parents learn about hearing loss and about their child's individual strengths and needs. Parents will meet other parents of children who are deaf or hard of hearing.

## Mission Statement

Institute provides information and support to families, so they can make informed decisions on behalf of their child who is deaf or hard of hearing. The Institute was summarized by one parent as: "An incredibly useful week to...prepare my child for a life of learning."

*"Very well worth our time. Like others I wasn't sure what to expect but I can tell you it exceeded my expectations. All parents of deaf or hard of hearing children should attend."*
